

... the way we were ...

High school life wasn't all that bad. There were a great many spices and sweets which made us better each passing day. There were great moments to remember, a few ups and downs, laughter and tears.

Let's take a look back and see if you still remember these times of your life. Do you remember ...

- ... taking the entrance exam?
- ... our first day together?
- ... nervously introducing yourself in front of those eager faces?
- ... when we exchanged unsure smiles?
- ... going to the cafe for snacks or lunch?
- ... going to Lolot's house?
- ... girls soliciting?
- ... boy watching?
- ... boys and the football games?
- ... following Arsenio around for his green, sour mangoes?
